OBJECTIVE

To partner with an organization that will benefit from my knowledge and experience, while allowing me to further develop my skills and expertise.

EXPERIENCE

Saint Michael's College   Colchester, VT   September 2018 – June 2020

iOS & Web App Developer – Fire & Rescue & Public Safety
- Worked with the head of Saint Michael's College Public Safety and a Vermont Department of Health Radiological & Toxicological Specialist to develop an app for first responders that helps protect them from chemical, biological, radiological and nuclear exposure.
- Performed real life beta-testing and adjusted based on feedback.
- Learned Apple's Swift programming language to deploy the iOS version.
- Used my knowledge of HTML, CSS, JavaScript and PHP to develop the web app version to allow all first responders, regardless of device, to access these safety tools.

Knight Safe
- Coordinated transportation for students to safely travel on campus and handled calls dispatches for rides.
- Passed university van certification test.
- Responsible for lockouts in student dormitory halls.

Stetson University Marketing   DeLand, FL   October 2016 – May 2017

Student Web Developer
- Performed reads and writes to multiple student and faculty databases.
- Collaborated with other students on large-scale database updating projects and experienced real deadlines.
- Updated online forms for staff and faculty.
- Coded in multiple web languages (PHP, HTML, JavaScript).

WRE Commercial Brokers   Windham, ME   June 2014 – Present

Commercial Real Estate Office Admin/IT Intern
- Routinely performed website updates to ensure real-time accuracy.
- Conducted prospective site work for Dollar Tree, Family Dollar, CVS and Cumberland Farms throughout New England and documented site locations for clients.
- Performed payroll duties.
- Created real estate spreadsheets for client presentations.

Redstone Investments Windham, ME & Lewiston, ME August 2012 – August 2017

Security/Maintenance
- Responsible for facility management and property maintenance.
- Provided entry access to all mall tenants and secured facilities.
- Ensured safety of tenants and patrons by providing site security.

Erebus Parties   Auburn, ME   May 2013 – September 2015

DJ/Partner
- Performed at private parties, weddings and school dances.
- Created and administered financial and contractual agreements.
